

IEEE CPE-POWERENG 2017

2017 11th International Conference on Compatibility, Power Electronics and Power Engineering

April 4th-6th, 2017 (Cadiz, Spain)

www.cpe-powereng2017.org

Partner Options

1. Company booth or table display

Including one FULL Meeting Registration, printed listing in the Annual Meeting Program including exhibitor's name and contact information, product/service description, logo and table top number

2. Plenary speech

Without other sessions running in parallel, all the attention will be centered in your company while you present the latest developments or products to the audience.

3. Flash USB drives

Attendees are always looking for one of these portable hard drives to store documents. Now you can include your company name and logo as they plug-in and plug-out on the go!

4. Conference bags

Attendee bags are distributed to all attendees and offer premium visibility before and after the conference. This exclusive sponsorship includes your organization's name and logo imprinted on each bag.

5. Bag insert

Reach all conference attendees by branding an item to be placed in the official conference bag! Conference Management is responsible for insertion of item into the bag.

6. Print advertising

Reach attendees with an ad in the printed conference program. Premium full color covers and grayscale interior placement are sure to get notice.

7. Coffee breaks

Your company logo will be displayed during one or more coffee breaks, where attendees will gather together between sessions to meet each other and discuss.

8. Welcome reception

Put your name prominently during the Welcome Reception.

9. Gala dinner

Your company will be offering the gala dinner to all attendees, with a presentation from you while they wait for dinner. This is the premium event during the conference.

10. Other

Combinations of the above items, or other advertising options are possible. Contact us.
